Greetings:

On behalf of the City and County of Denver, I would like to welcome you to the Mile High City for the American Association of Law Libraries (AALL) 103rd Annual Meeting.

The American Association of Law Libraries was founded in 1906 to promote and enhance the value of law libraries for legal and public community members, foster the profession of law librarianship, and provide leadership in the field of legal information. Today, with more than 5,000 members, the Association represents law librarians and related professionals who work in numerous settings including law firms, law schools, corporate legal departments, courts; and local, state and federal government agencies. Demonstrating their commitment to community service, AALL meeting attendees are donating books to benefit Reach Out & Read Colorado.

We are excited and honored that you chose Denver as the host city for your program and invite all of you to explore the many amenities the city has to offer. Denver's downtown is one of the nation's most walkable cities and boasts a variety of attractions, including the nation's second largest performing arts complex, three art museums, three sports stadiums, a U.S. Mint, more than 300 restaurants, and the largest city park system in the country.

During your time in Denver, we hope that you take advantage of the different transportation options we offer. We've made getting around the Mile High City easy, giving you your choice of 500 rental bikes available at 30 downtown stations, free hybrid shuttles along the 16th Street pedestrian mall, and FasTracks – the nation's largest light rail initiative with 120 miles of planned track.

At an elevation of 5,280 feet above sea level, Denver is truly a mile high. Have a wonderful conference and enjoy your stay!

Sincerely,
