## Federal Government Externship Opportunities

The listing of externship opportunities below come from a handbook found at the following website: <http://www.law.arizona.edu/career/GovHonors09-10/subscriberscontents.cfm>. To connect to the links you need to log in with the username “cookie” and the password “dough”. At the bottom of the document is a useful list of locations where a summer extern could find a place to live in and around the D.C. area. All of the listed opportunities are offered in the greater Washington D.C. area, with several opportunities in Maryland and Virginia. Opportunities are both paid and unpaid. To receive credit through the externship program you must participate in an unpaid program.

It is up to the individual student to make direct contact with the listed organization. You will also need to make an appointment with the Internship Program Director, Ann Vessels, if you are considering an out of state externship.
