Washington DC Externships

The list set out below covers a wide variety of organizations in and around the Washington D.C. area that provide externship opportunities. This list is not all inclusive and none of the listed organizations is currently approved in the DU Externship database.

If you have an interest in any of these opportunities please make direct contact with the organization. You will also need to make an appointment with the Internship Program Director, Ann Vessels, if you are considering an out of state externship.
