Dear Career Services,

Gary Borman

I'm writing to invite your assistance and participation in the 13th Annual Entertainment Law Initiative writing competition and scholarship program by distributing contest information to your entertainment law and IP students. The scholarships are a joint effort of the GRAMMY Foundation and the ABA Forum on Entertainment and Sports Industries intended to provide law students with opportunities in the field of entertainment law.

Darrell Brown

Dan Cherry

Geoff Cottrill

Robert Aubry Davis

Winners of the scholarships have found that the exposure created through the program has aided in career development for years to come. Past winners now work as music and intellectual property lawyers throughout the country.

George J. Flanigen IV

Dave Koz

The grand prize winner receives a \$5,000 scholarship and the four runners-up each receive \$1,500 scholarships. All five winning articles will be published in a major law journal. The winners are also flown to Los Angeles where they are honored at the Entertainment Law Initiative Luncheon in front of an audience comprised of some of the top entertainment attorneys in the country. The winners also attend GRAMMY week events including the GRAMMY Awards telecast, and The MusiCares® Person of the Year Tribute.
