= Some merit in C's charge:

1. \$s come from spec. assignments more
than reg. \$s.

2. Cl. ~~of~~ says in writing Pr. told him
not to assign \$s.

a. On ~~evidence~~ any reasonable p. would
believe some basis.

3. Pr. has seized + Cl's offices,
like a central bureau country.

Can't have an ass't + Cl's.

4. Very upset about guardianship system,
with 2 others of 40. Has never

1 sat with G.
